

Refreshing Spray

4 ounces distilled water

1 Tablespoon Vodka - strongest you can find

5 drops peppermint essential oil

5 drops spearmint essential oil

5 drops lime essential oil

5 drops juniper essential oil

Combine in a 4 ounce stainless steel spray bottle and use to address odors in place of air, bathroom and textile fresheners, and as a "shower in a bottle" when you don't have access to a shower - like at an outdoor event on a hot summer day.

Breathe Easy Variation:

As above, only use this essential oil combination to freshen air when pollen levels are high.

5 drops lemon essential oil

5 drops lavender essential oil

5 drops peppermint essential oil

5 drops copiaba essential oil

Natural Drain Cleaner

Put 3 drops of lemon essential oil directly down the drain for a nice scent.

1 cup baking soda - sprinkle down the drain

1 cup distilled white vinegar to follow the baking soda down the drain.

Allow to sit for 15 minutes

Boil a kettlefull of water and pour that down the drain.

Once cooled, pour cold water down the drain to see if the drain has been cleared. Repeat if necessary.

Homemade Oxygen Bleach Paste

1 Tablespoon Hydrogen Peroxide

1 Tablespoon washing soda

Mix together in a small bowl and then add to the washing machine water.

Don't store this combination - it will quickly lose it's effectiveness.

Sticker and Goo Remover

Lemon essential oil

Baking Soda

Combine and add a small amount to the spot and allow it to soak. Rub with a cleaning cloth to remove. Repeat if necessary.
